 13. Rakesh was a good high jumper of our school. He used to do strenuous training. During practice he used to jump 1.55 m. His intention was to win medal at the state level tournament. But his technique was not proper for winning a medal at such level. He showed interest in learning the new technique i.e. fosbury flop. His coach helped him in learning this technique and made him perfect. Ultimately he learnt the new technique of high jump. His performance was enhanced extraordinarily. Consequently, he won the gold medal in high jump event by clearing a height of 1.75 m. It was a remarkable achievement for him.

Based on the above passage, answer the following questions: [3]

(a) What value of the coach did impress you?

(b) What value does Rakesh possess?

(c) Was achievement of Rakesh remarkable in comparison to his past performance?
