The **Kishore Vaigyanik Protsahan Yojana (KVPY)** is one such National Scholarship programme of Fellowship in Basic Sciences, initiated and funded by Department of Science and Technology, Government of India that aims to encourage the exceptional students for pursuing courses in Basic Sciences and research drive programmes.

The basic objective of this programme is to identify students with talent and aptitude for research, help them realize their academic potential; encourage them to take up research careers in Science, and ensure the growth of the best scientific minds for research and development in the country.

We are delighted to acknowledge that in comparison to last year, the number of qualifying candidates has increased from 6 to 10 which itself says a lot about the school's accomplishment. Previously, 17 students had set a history by clearing the first round of this reputed exam, out of which these 10 talented students have proven their mettle in the final round.

Our honourable Principal **Dr. Ram Singh** congratulated the students and said that it's a matter of great pride for the school to beat its own record with every passing year, the number of students qualifying in various competitive exams is incessantly increasing. He wishes that other students also get motivated to develop the same scientific fervor and temperament to carry forward the legacy.
