The examination is organised every year at two levels: Stage-I (State Level) and Stage-II (National Level). The Stage-I examination happened on 3<sup>rd</sup> and 4<sup>th</sup> November, 2018. Every year around 1,20,000 to 1,40,000 students appear for the examination, while only 5000 students are selected for Stage-II. Our honourable Principal, Dr. Ram Singh was overjoyed by such a huge success. He said the school is very keen towards tracing the talent and channelizing their potential in the right direction. He congratulated the successful candidates and hoped to inculcate the same dedication in the years to come. Dr. Ram Singh has always taken initiatives to provide Enhancement classes to these distinctive children. He expressed his happiness that the hard work has paid off through such a marvelous result.
