GRATITUDE JAR

The underlying theme of every festival is togetherness. It's time to be thankful to the people around us who play a major role in making this period of festivity an everlasting one.

So, step forward make a gratitude jar (out of paper or anything) and fill it with one chit per day with a sentence of thankfulness written on it, for the thing that you enjoyed the most on that particular day.
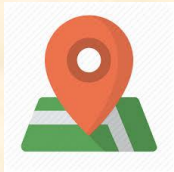

Every festival is a period of joy and happiness. People adorn themselves with colourful dresses, visit places and relish various kinds of food items to add to their fun and excitement.

Write about your choice of the following things that you would prefer on a particular festival.

Food - _____ ,_____

Dress - _____ ,_____

Place -_____ , _____
