

Delhi Public School, Ranchi

Session 2021-22
Holiday Homework

LET'S DISPEL DARKNESS AND LIGHT UP THE WORLD.

Dear Students,

It's vacation time again! The festival of lights is here to illuminate not just our homes, but also our minds and hearts. Enjoy the warmth and splendour of Diwali but don't miss to engage yourselves in this innovative holiday homework that has been especially designed for you.

Stay safe and spread the light of happiness.

Happy Holidays!

Your,
Class Teacher

DIY CLAY DIYAS

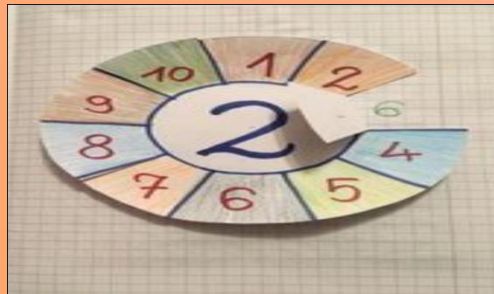

Make and decorate your own earthen lamps using clay and decorative materials easily available at home.

MULTIPLICATION WHEEL

Use colourful/A4 size paper to make a multiplication wheel based on the table of 7 and paste it in your Maths Classwork Copy. Click on the link for your reference.

We rise by lifting others, so let us try to light the world and spread smile across the globe by graceful act of giving.

You can donate sweets and edibles to the needy people around to ensure that no one sleeps with an empty stomach on this festival of fulfillment.
