

Delhi Public School, Ranchi

Session 2021-22
Holiday Homework

LET'S DISPEL DARKNESS AND LIGHT UP THE WORLD.

Dear Students,

It's vacation time again! The festival of lights is here to illuminate not just our homes, but also our minds and hearts. Enjoy the warmth and splendour of Diwali but don't miss to engage yourselves in this innovative holiday homework that has been especially designed for you.

Stay safe and spread the light of happiness.

Happy Holidays!

Your,
Class Teacher

MAGIC LINKS

ENGLISH

Click on the given link, recite and practice the poem alongwith your teacher.

MATHS

Make geometrical shapes in A4 size paper and colour them to show the fraction part of the shapes as directed below and paste the sheet in your Maths Practice Copy:-

1. $\frac{1}{4}$ of a Circle.
2. $\frac{1}{2}$ of a Triangle.
3. $\frac{3}{4}$ of a Rectangle.

(You can also use rangoli colours for colouring the shapes.)

EVS

“ May the festival of light
brighten each day of your life.”
And to give it a personal touch
of yours.....Make a paper
lantern (Kandil) by viewing the
link below :

<https://youtu.be/tVvMLfKZ9f0>

We rise by lifting others, so let us try to light the world and spread smile across the globe by graceful act of giving.

You can donate sweets and edibles to the needy people around to ensure that no one sleeps with an empty stomach on this festival of fulfillment.
