

## DELHI PUBLIC SCHOOL SAIL TOWNSHIP RANCHI

DEAR CHILDREN,

**“CHANGE YOUR SIGNATURE TO AUTOGRAPH.”** is what I advocate for you all on this **CHILDREN’S DAY**. In you there are **GREAT POTENTIAL, STRENGTH, ABILITY** and most importantly **OPTIMISM** to realize **DREAMS** which are considered **inconceivable and unachievable** by others. Then it is no less than a **felony** to **AIM SMALL**, always **AIM BIG** in **LIFE**.

Furthermore, while you are on your path to realize your dreams, you are bound to meet failures and that is the time you must remember that **THE ULTIMATE GOAL IS SUCCESS** and those are nothing but occasional hindrances. Students of **DPS Ranchi** have always demonstrated propensity to thrive. Hence, I have unwavering faith that with your innate intelligence, academic acumen, eminent pragmatism and all other wherewithal for being triumphant you will add a new dimension to the definition of success. But always keep in mind **A HUMAN BEING IS A REAL HUMAN IF HE IS KIND**. Retain your **KINDNESS** and hitch your wagon to the star.

**A VERY HAPPY CHILDREN’S DAY!!!!!!**
