

NOTICE

Project/Model exhibition 2021-22

Date: 06/12/2021

All the students of class VI, VII, VIII, IX and XI are hereby informed that a project model exhibition is being organized in coming days. This is such a platform where you can exhibit your potential of creativity, evaluation and out of box kind of thinking . It will give you a vast horizon to fly with your wings of imagination and deep sight of innovations if you turn even a little stone of problem faced by the community or mankind will be a great contribution towards nation building.

So it is a need of the hour to assess your **creativity & evaluation skill** through this exhibition. You are supposed to prepare a Project/Model to exhibit based on the following themes

Section A

1. Mathematical science
2. Life science/Environmental science
3. Social science
4. Language & Literature

Section B

5. Arts & Craft
6. Sports & Physical Education

Domain of your thinking will be as follows

- | | |
|---|---|
| I) Behavioral and social Science/
