MATHEMATICS

ADDITION GAME

Skills Developed - Gross motor skills, Social skills, Thinking skills, Cognitive skills.

This fine motor Math facts activity is a hands-on way for kids to practice Addition. It's so easy to set up and lots of fun. So, let's practice addition with this fun "Paper Plate Addition Game".

Supplies Needed—Paper Plate, Buttons, black marker and dice.

How to make—Use black marker to draw a line across the center of your plate. Next draw a line to divide the top half again. See the image for an illustration. Write a Plus sign between top parts.

How to Play—Roll one dice, place that number of buttons in the first section of your plate. Roll the dice again. Place that number of buttons in the second section. Add the two sections together and put the correct number of buttons in the bottom half of the plate. Remove the buttons and again

Play the game 10 times and make the addition chart in an A4 size sheet as per the sample given below.
