## PRINCIPAL'S MESSAGE...

**"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations."**

As we complete 30 years of astounding service, what comes to my mind is that - "Success comes to those who work hard and stays with those who don't rest on the laurels of the past". We live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate that we as educators need to pause and reflect on the entire system of education.

Aristotle once said that, "Educating the mind without educating the heart is no education at all."

We at DPS Ranchi, aim to develop young global citizens with active and creative minds, a sense of understanding and compassion for others and the courage to act on their beliefs. We stress on the holistic development of each child and ensure that our students become smart and well-equipped to face the challenges of life in a balanced and harmonious way.

To manoeuvre the literary and artistic talents and achievements of our students in curricular activities and academic excellence, the school has come up with the school magazine 'DIPS TIME'. I congratulate the Editorial Board on its tireless efforts in bringing out this publication.

Best wishes for an enriching and fruitful academic year!

**Dr. Ram Singh**

Principal, DPS Ranchi

## FROM THE EDITOR'S DESK...

**"Creativity is intelligence having fun"**

Education should not merely equip an individual to adjust with society but should also aim at creating a caring and safe atmosphere which promotes emotional, social and academic development. We aim at nurturing our students into fine human beings by imparting quality education and inculcating human values.

We aspire to provide a creative environment which is both stimulating and challenging. Children learn best through doing and we give them ample opportunities to explore, experiment and discover. In today's world of social networking, blogs and all manners of hyper connectivity, the school magazine is a platform for the students to express their originality of thoughts and perceptions. The contents of the magazine reflect the wonderful creativity and imaginations of our students. It compiles a plethora of co-curricular activities, jubilant competitions and triumphs of academic excellence.

I, whole heartedly congratulate the Editorial Board for their relentless effort in bringing forth the School Magazine.

I would like to end with the words of Albert Einstein -

"Imagination is more important than knowledge, for while knowledge defines all that we currently know and understand; imagination points to all that we might yet discover and create."

Good wishes and happy reading !

**Jaya Prasad**

## मेरा अनोखा सपना

जब मैं दूध पीकर ब्रश करके, प्रार्थना करके बिस्तर पर लेटी, मुझे तेज नींद आने लगी। जब मैं सो गई तो मेरा घर परिलोक पहुँच गया, मेरा घर विशाल और सुन्दर बन गया, मेरे घर में खाना अपने आप बनने लगा, मैंने देखा साफ-सफाई अपने आप हो गयी। मैं स्कूल जाती तो किताबें अपने आप खुल जाती और पन्ने पलटने लगते। मुझे मेरा बक्सा भी नहीं उठाना पड़ा। मैं घर पहुँची तो खाना टेबल पर सजा हुआ था। मैंने देखा अचानक से मेरे कमरे से तेज़ रोशनी आने लगी मैं पहले डर गई फिर भगवान का नाम लेते गई तो देखा महल जैसा मेरा कमरा हो गया नए-नए कपड़ों से मेरी अलमारी भर गयी। तब मैं सोची जादू से अपना गृहकार्य करलूँ। जैसे ही मैं बैठी तेज-तेज ट्रीन-ट्रीन आवाज आने लगी, मैं आँखें खोली तो मेरी मम्मी अलार्म की मदद से मुझे स्कूल जाने के लिए उठा रही थी। फिर मैं उठी और ब्रश की तो मुझे याद आया कि यह मेरा सपना था यह मेरा सबसे अच्छा सपना था।

## अपना घर

बाहर कहीं भी जाएँ,  
अपना घर याद आता है।  
अपना घर कैसा भी हो,  
स्वीट होम कहलाता है।।

इतनी अच्छी जगह न कोई,  
है सारे संसार में।  
खो जाते हम जहाँ पहुँचकर,  
माँ की ममता प्यार में।।

सारी दुनिया बहुत बड़ी है,  
किन्तु अपना छोटा सा घर।  
नहीं भूलता कभी किसी को,  
लगता है सबको सुंदर।।

अच्छा लगता है जग जग सारा,  
सैर सपाटा करने पर।,  
किन्तु सबसे सबसे प्यारा,  
लगता अपना घर।।

## शिक्षक (कविता)

शिक्षक की गोद में उत्थान पलता है।  
 सारा जहाँ शिक्षक के पीछे चलता है।  
 शिक्षक का बोया पेड़ बनता है।  
 काश की गति को मोड़ सकता है।  
 धरा से अम्बर को भी जोड़ सकता है।  
 शिक्षक की महिमा महान होती है।  
 शिक्षक बिन अधूरी वसुन्धरा रहती है।  
 याद रखों,  
 चाणक्य ने इतिहास बना डाला था।  
 क्रूर मगध राजा को मिट्टी में मिला डाला था।  
 चन्द्रगुप्त को सम्राट बना डाला था।

एक शिक्षक ने अपना लोहा मनवाया था।  
 जीवन में गुरु सदियों से बनते आए हैं।  
 कृष्ण नन्हे-नन्हे बीज बोते आए हैं।  
 शिक्षक से ही अर्जुन और युधिष्ठिर जैसे नाम हैं।  
 उनकी निंदा करने वाला दुर्योधन बदनाम है।  
 आओ हम लेते संकल्प हैं,  
 अपना फर्ज निभाएंगे।  
 हम सब ने शिक्षक बनने का फर्ज निभाया है।  
 अपने प्यारे-न्यारे भारत को जगतगुरु बनाया है।

## संगीत

संगीत एक आवाज नहीं,  
 एक धून है जो अच्छे-अच्छों,  
 का मन मोह लेता है।  
 इस धुन में पूरी दुनिया झूमती है,  
 इसको दिमाग से नहीं,  
 दिल से गाया जाता है।  
 इसे गायक-गायिका गाते हैं,  
 किन्तु आम-आदमी भी कभी-कभी,  
 गुन-गुना लेते हैं।  
 सात रंगों से बनता है इंद्रधनुष,  
 सात रंगों से बनता है सरगम,  
 कई सरगम से बनता है एक गीत।  
 संगीत सुनकर मुझे मिलती है खुशी,  
 गीतों की दुनिया जैसी लगती है धरती।

## रेल यात्रा

गर्मी की छुट्टी थी। मेरे भाई ने मुझे कलकता आने के लिए आमंत्रित किया है। मुझे बड़ी प्रसन्नता हुई। वाह! मैं बहुत दिनों के बाद राँची से बाहर जा रही हूँ। प्रातःकाल का समय था। मैंने एक टिकट खरीदी और तूफान-एक्सप्रेस के एक दूसरे दर्जे में प्रवेश कर गई। मैं खिड़की की ओर की सीट पर बैठ गई। गाड़ी खुल गई। शीघ्र ही उसकी रफ्तार तेज हो गई और बहुत द्रुतवेग से जाने लगी। छोटे-छोटे स्टेशनों पर बिना रुके ही वह बढ़ते गई। दोनों तरफ हरे-भरे खेत थे। कभी-कभी पहाड़ी या नीला आसमान दिख पड़ता था। मेरे डिब्बे में अदि

क यात्री नहीं थे। गाड़ी फिर चल पड़ी। टिकट-परीक्षक आया और उसने टिकटों की जाँच की। झाँझा में मेरा भोजन आया मैं भूखी थी इसलिए मैंने भोजन का आनंद लिया। उसकी कीमत भी अधिक नहीं थी। गोधूलि हो गई। गाड़ी की चाल धीमी पड़ गई और हावड़ा स्टेशन पर आकर वह लग गई। मैं गाड़ी से उतरकर प्लेटफार्म से बाहर निकल आई। हुगली नदी के दूसरी ओर विशाल नगर स्थित था और मैं अपने भाई के घर चली गई।

## ‘फरवरी’ एक शांत सुबह

फरवरी का महीना था। आसमान साफ और नीला था। सूरज की किरणें और हलकी ठंडी हवा वसंत की याद दिला रही थी। मुनगा के पेड़ों पर सफेद फूलों के गुच्छे भर आए थे। नीम के पेड़ की सारी पुरानी पत्तियाँ झड़ कर नन्हीं नई लाल पत्तियाँ निकल आई थी। हवा से पेड़ ऐसे हिल रहे हैं मानों मौसम की सुन्दरता पर खुशी मनाकर नाच रहे हों। कुछ पेड़ों पर अब भी पुराने पीले पत्ते लटके रहे थे। अचानक हवा थोड़ी तेज हुई और कुछ पुराने पीले पत्ते नीचे गिर पड़े, मानो पतझड़ की याद दिलाना चाहते हों। छोंटी चिड़ियाँ उड़-उड़ कर खाना बटोर रहीं थीं। आज मौसम को देख कुछ यादें ताजा कर रहा हूँ और धूप की किरणें आने वाली मौसम का संकेत दे रहे थे। यह भी एक शांत सुबह थी।

## Beauty of Nature A Summer's Fountain

Beauty is in the red  
Of the dragon's flame  
The way it burns  
Impossible to tame

Beauty is in the  
Orange of the  
Volcano's eruption,  
Running down the  
Side in a fiery disruption.

Beauty is in the  
Yellow of the sun  
Our source of light,  
Our daily fun.

Beauty is in the  
Green of the trees  
The way they sway  
In the afternoon breeze.

Beauty is in the blue  
Of the ocean  
Fish below stirring a commotion.

Beauty is in the  
Purple of a snowy mountain.  
Melting into water of  
A summer's fountain.

These are the colours  
Of the rainbow that  
Stretch for a mile  
Because after all a  
Rainbow is an  
Upside-down smile.

## Book Storm

I wasn't doing anything ;  
Just lying on my bed,  
When my dictionary tumbled down  
And smacked me on the head.

Then Harry Potter toppled off,  
And Judy Moody too.

I almost got knocked out by  
Wimpy Kid and Nancy drew.

Then fancy Nancy whacked me.  
All those Goosebumps were intense;  
They landed with A series  
Of unfortunate events.

So now I'm under a pile of books.  
It's something of a shame,  
This never should have happened,  
I have just my self to blame.

## If I Had Three Wishes

If a fairy were to grant me three wishes, I know what I would like to wish for. First of all, I would wish for plenty of money. With lots of wealth, I could help the poor. I could donate lots of money to the orphanages, homes for the aged, schools for the blind and so on. Many would benefit from the money as it could be put to good use. Secondly, I would like to wish for good health for my parents and my family. Health is very important to man. Without good health, it would be impossible to enjoy a lot of things. With good health, we could travel around the world, do whatever we want to do and live our lives the way we want to.

Thirdly, I would like to wish for a book that has everything to know in it. It will be thick and informative with Science, Mathematics and other topics. I would read it and be a wiser person.

## Politeness

Politeness is the practical application of good manners. It is important to be polite because it puts other people at ease and helps relationships. Politeness also helps to decrease the social distance between two people, making it easier to communicate. Politeness is definitely a discipline we need to follow in our life. Being polite teaches us many things in our life. Politeness is the art of behaving in a pleasant manner. Politeness costs nothing and yet it is a very valuable asset. Every person wants to hear good things and see good behavior towards themselves therefore It's important to behave in a polite and pleasing way towards others. Politeness is a great virtue. A person who behaves politely towards others is not only respected but loved also. Politeness towards others, means that we are civilized and cultured. Politeness means consideration for feeling of others first. Politeness has been called the "oil of the social machine". To conclude Politeness costs nothing but buys everything.

My best friend is a book  
That doesn't give me a weird look  
It's like a golden door  
That takes me to the land I have

That takes me to the land of merry.

## End of Primary Wing phase in school

Mixed feelings are there amongst, students of class - V, as we reach the zenith of being juniors in our school. Where on one side our hearts are singing happy notes to enter a new phase of school, on the other side I feel like, even if we leave the primary wing its memories will ring in the words of William Wordsworth -

*"The music in my heart I bore long  
after it was heard no more".*

The protection, guidance and warmth of our teachers in this wing will forever instill a sweet music in our memory. They nurtured us with their invaluable guidance; taught us that persistent practice leads to excellence and at the same time made us work so that we become self reliant. The way we got moral upliftment and developed our artistic and cultural skills in our Primary Wing only makes me quote Guru Rabindranath Tagore's poem -

"Where the mind is without fear and the head is held high;  
where knowledge is free.  
where the world has not been broken up into  
fragments by narrow domestic walls;  
where words come out from the depths of truth,  
where tireless striving stretches its arms towards  
perfection ..... "  
- that is how we will cherish our years spent in the  
Primary Wing.

## 'The Class Room'

I am the classroom speaking to you. Today I'll tell you about my life. Within me I consist of benches, notice and black boards, tables, chairs and a lot more. We are united and stand together as one. Sporadically, I am sunk in sorrow when the students grow rude and wild and spoil my walls and benches in the recess and make horrible drawings. My fellows blackboards are oppressed day by day by chalks when the educators treat them with pain everyday. The teachers urge the students to not make me dirty, but I hope they would understand it some day. But sometimes my day is filled with thrill when they all decorate me with drawings and sequences. At the end of

the day the domestic helpers clean me and my fellow friends with a gratifying fragrance of soap and water. But when the year ends, I feel so very sorrowful when everyone leaves us and go to other classrooms and again the same routine continues.

## The Tree

Life is like a tree,  
Grows lives not leaves,  
In form of people, animals and trees  
And spreads branches across seas.  
Each life is born,  
Young, fresh and clean,  
To enjoy the pleasures of life,  
Happily absorbing the sunshine and breeze.  
Then the tree sheds its leaves,  
One by one to the ground they fall,  
The branch and its leaves  
Mourn each fall and then comes their call.  
From dust they rise,  
To dust they return,  
A series of memories and experiences,  
To all that comes within the grasp of man.

## The Kingdom of Fairies

Once upon a time there was a kingdom named the Dreamland. it was a magical kingdom of fairies. The kingdom of Dreamland had a central monument called the crystal of hope and happiness. It shone so bright that it lightened up the whole kingdom with its magical aura.

Near the Dreamland there was a kingdom of witches called the land of fears. It was a dark and gloomy place which had no source of energy. One day the queen of the land of fears attacked the dreamland and kidnapped the princess and took her to the castle in the kingdom of fears thinking that by doing this they would be able to gain the magical powers of the wings of the princess and use it for their source of energy. There they cut the wings of the princess and kept it in a magical bottle. Little did the witches of the land of fears know that hope and fear could never co-exist. The young princess was full of hope and never gave up and by concentrating on the crystal of hope she found out the strength within herself to overcome all her fears and she escaped from the land of fears.

## Women Empowerment

Women empowerment implies the ability in women to take decisions with regard to their life and work and giving equal rights to them in all spheres like personal, social, economic, political, legal and so on. Women empowerment is the much talked issue today. Women are increasingly getting empowered to decide the course of their life and professions and realise their fullest potential. They profess an independent outlook, whether they are living inside their home or working outside. They are increasingly gaining control over their lives, their education and lifestyle. They have gained financial independence and built their own identity. At last I would say Women Empowerment is intertwined with respect for human rights".

## My Teacher

I am happy that you're my teacher.  
I enjoy the lessons you teach.  
As my role model you inspire me,  
To work hard and to reach the zenith.  
Every day you are nurturing my dreams,  
You help me fulfil my potential,  
I am thankful for all you've done.  
I admire you each single day,  
And I just want to say  
As a teacher you are just exceptional.

## Love You Maa ...

She came from the abode of fairies and angels,  
To spread happiness in someone's life.  
She gave me care and love and promised,  
To make me strong enough to face all strifes.

Puking and mewling in her arms,  
I as a child and cried whole day long.  
She held her patience and worked with  
endurance,  
To make me healthy and build me strong.

Then came a day - I crawled to school,  
Unhappy and unwilling like a snail.  
She kept awake the whole night,  
So that no exam I shall fail.

I cried on her shoulders when in pain,  
I sought her guidance in every possible way.

I inculcated her teachings well in me,  
I learnt never to give up, never to sway.

She nurtured me with love,  
She nourished me with care,  
She rebuked me when in wrong,  
she consoled me when my pain I did share.

Who else could she be,  
Who sacrificed her life for me?  
I am a proud DAUGHTER,  
for a great MOTHER is she !

## High Flyer

I fly above the tallest trees,  
I'm not a bird or plane.  
I have no wings or feathered things,  
I do not like the rain.  
I play among the passing clouds,  
I like to rise and sail.  
I am a friend who loves the wind,  
I'm big and have a tail.  
I like the gusty month of March,  
I soar way out of sight.  
My shape is like a diamond,  
I am a brand - new kite.

## Riddle

Tall ears,  
Twinkling .....  
tiny tail,  
And-hop he goes !  
Who is he  
Can you guess ?  
I feed him carrots  
And watercress  
His ears are long,  
His tail is small  
And he doesn't make any  
Noise at all  
Tall ears  
Twinkling nose  
Tiny tail  
And-hop, he goes !!!

## Trees are the Kindest things I know

Trees are the kindest thing I know  
They don't harm, they simply grow  
And spread a shade for sleepy cows  
And gather birds among the boughs .....  
They are the first when day's  
Begun to touch the beams of the morning sun,  
They are the last to hold the light  
When evening changes into night,  
And when the moon floats on the sky.  
They hum a drowsy lullaby  
Of sleepy children long ago .....  
Trees are the kindest thing I know !

## World of Insects

Insects here and insects there,  
They are even in our hair,  
Some of us are scared,  
And some don't care.  
Insects insects every where,  
Here, there, everywhere.  
Some are liked and with some we fight  
Some are small and some are big,  
Some have wonderful features,  
But some are ugly creatures,  
Some are too hard working,  
While some are bit lazy,  
Some are even dangerous,  
And some are calm,  
But some look calm but can be dangerous  
Insects, Insects everywhere,  
Here, there everywhere !

## Happiness

I am happiness  
Have you met me ?  
Oh! where have you been so long ?  
I am always very close.  
When you want to achieve something  
And you do.  
I come and embrace you.  
And you are filled with me.  
I am always approachable  
When you want me.  
I am there in the little things  
You just need to find me.  
I am not a big deal,  
But you make me one.  
I am made for all,  
and I am there for all !

## Four Smart Students

One night four students were partying late night and didn't study for the test which was scheduled for the next day. In the morning, they thought of a plan. They made themselves look dirty with grease and dirt. Then they went to the Dean and said that they had gone out to a wedding last night and on their way back the tyre burst and they had to push the car all the way back. So they were in no condition to take the test. The Dean thought for a minute and said they can have the re-test after 3 days. They thanked him and said that they will be ready by that time. On the third day they appeared before the Dean. The Dean said that as this was a special condition test, all four were required to sit in separate classrooms for the test. They all agreed as they had prepared well in the last 3 days. The test consisted of only 2 questions with the total of 100 points.

1. Your Name ? ..... (1 point)
2. Which tyre burst ? ..... (99 points)

Options - a ) Front left, b) Front right, c) Back left d) Back right.

Moral of the story : be truthful and sincere.

## Education is everywhere

Education is a thought of life,  
Education creates a healthy soul,  
It trains the mind and develops the brain,  
And then my friend nothing goes in vain.  
Education is everywhere,  
if you accept it, it is fair.  
It makes you intelligent and your views strong,  
But some children do not take interest in it and  
that is wrong.  
It keeps you away from illiteracy  
And also drives ignorance away,  
It rekindles the light of knowledge,  
So, believe in it children,  
What your teachers always say.
