SAIL TOWNSHIP, RANCHI

HALF YEARLY EXAMINATION (2022-23)

Class - VIII  
Time - 3 Hours

Subject - English  
Maximum Marks- 80

## GENERAL INSTRUCTIONS :

1. The question paper is divided into three sections: A, B & C.
  2. It is compulsory to attempt all the sections.
  3. Handwriting carries marks.
- 

## Section-A (Reading)

1. **Read the following passage carefully and answer the questions:** (1x10 = 10)

On a cloudy day, the clouds hide the Sun, but the sun is always there. Happiness is like the Sun, it is often hidden by the clouds of thoughts, worries and desires. We have to scatter and dissolve them to experience happiness.

You don't have to create happiness. All you have to do is calm down your mind because when one has a quiet mind and inner peace, there is happiness. Happiness is not something far away and unattainable. Happiness does not depend on circumstances, objects or events. It is an inseparable part of our consciousness, of our essence, but hidden and covered from sight, by our thoughts, desires and worries.

The mind is always in a constant race from one thought to another, from one worry to another. It constantly moves from one object or task to another, never standing still. This restlessness hides the happiness that is within you.

It is like a choppy sea that hides the bottom. When the sea gets calm you can see the bottom. In the same way, when the mind gets quiet you sense the happiness that is within you.

You cannot see a treasure at the bottom of a stormy and muddy lake, though it is there. However, when the wind stops, the water becomes still, and the mud sinks, you can see the treasure. The treasure is there, whether you see it or not. So is happiness. It is always there, only hidden by thoughts, desires and worries.

You can experience more and more happiness in your life. Only your thoughts stand in your way of experiencing it. Next time you feel happy, stop for a moment and watch the state of your mind. You will be surprised to discover that it is calm, and there is almost no thought in your mind. Since the mind is not accustomed to staying in this peaceful state for long, it soon becomes active again and the sense of happiness disappears.

The experience of mystics down the ages has shown that happiness is inherent in our souls; it is not something to be gained anew. All that is necessary to do is to uncover it.

(1x10 = 10)

Remember, no men are strange, no countries foreign,  
 Beneath all uniforms, a single body breathes  
 Like ours; the land our brothers walk upon  
 Is earth like this, in which we all shall lie.  
 They, too, aware of sun and air and water,  
 Are fed by peaceful harvest, by war's long winter starv'd  
 Their hands are ours, and in their lines, we read  
 A labour not different from our own.  
 Remember they have eyes like ours that wake  
 Or sleep, and strength that can be won  
 By love. In every land is the common life  
 That all can recognize and understand.  
 Let us remember, whenever we are told  
 To hate our brothers, it is ourselves  
 That we shall dispossess, betray, condemn.  
 Remember, we who take arms against each other.  
 It is the human earth that we defile,  
 Our hells of fire and dust outrage the innocence  
 Of the air that is everywhere like our own.  
 Remember, no men are foreign and no countries strange.

| 1 | <p>So ein Pech! Tim Schließt die Augen und zieht die Bettdecke über den Kopf. Es ist Freitag, heute findet das große Fußballspiel statt. Das Finale! Seine Schule, die Sophie - Scholl - Schule, spielt gegen den Fugger - Gymnasium. Der absolute Klassiker, fast wie Borussia Dortmund gegen Bayern München!</p> <p>Alles sind da: die Schüller, die Lehrer, sogar die Direktorin! Aber er, Tim, der Kapitän, kann nicht mitspielen. Er muss zu Hause bleiben und im Bett liegen, weil er krank ist. Er hat eine starke Grippe, mit Fieber und Halsschmerzen. Dieser doofe April - Wetter! Seit zwei Wochen ist es bitterkalt. Es regnet und regnet. Am Dienstag hat ihn sein Team besucht. Sogar ihr Trainer der Lehrer Lutz, ist mitgekommen.</p> <p>„Mensch, Tim, du musst gesund werden“, haben alle gesagt, „wir brauchen dich! Dich und deine Tore!“</p> <p>Drei Tage hat er alles versucht: Medikamente genommen, Tee getrunken, geschlafen und geschlafen. Aber keine Chance: Er hat immer noch Fieber und muss die ganze Zeit husten. Heute, gerade heute! Wirklich schade! Sein großer Traum: Einmal das Finale spielen, vielleicht die Stadt - Pokal gewinnen. Tim sieht auf die Uhr. 17 Uhr, das Spiel muss schon zu Ende sein. Seine Freunde wollen ihm sofort berichten. Was ist los? Haben sie verloren und sind zu traurig für einen Anruf? Oder feiern sie den Sieg und haben ihn völlig vergessen?</p> <p>Er muss das jetzt wissen. Er ruft Manuel an, das ist der Torwart und sein bester Freund.</p> <p>„Hey, Tim, Wie geht's dir? Schon besser?“</p> <p>„Ja, ja, aber ... wie war das Spiel, Manuel? Sag schon!“</p> <p>„Das Spiel? Ach so, das Spiel! Mensch, Tim, hat dich Herr Lutz nicht angerufen?“</p> <p>„Nein, was ist denn los?“ Manuel lacht</p> <p>„Also, das Spiel findet heute gar nicht statt. Das Wetter ist viel zu schlecht. Der Regen! Unser Fußballplatz ist wie ein See, er steht total unter Wasser. Aber es gibt schon einen neuen Termin...“</p> <p>„Wann? Morgen? Übermorgen?“</p> <p>„Nein, Tim, keine Sorge! Achtung, jetzt kommt die beste Nachricht: Das Spiel ist erst in zwei Wochen! Da bist du wieder gesund und kannst mitmachen. Und Tore schleiß! Mindesten drei!“</p> <p><b>A. Antworten die Frage:</b></p> <p>a. Was ist der Name von Tims Schule?</p> | 1x5=5 |

(iii) प्रश्नों की कुल संख्या 12 है।

### खण्ड – 'क'

प्रश्न 1. निम्नलिखित अपठित गद्यांश को ध्यानपूर्वक पढ़ें तथा दिए गए प्रश्नों के उत्तर लिखें :- (1X5=5)

(i) 'अनुशासन' का अर्थ है – नियमों के अनुसार जीवन व्यतीत करना। संपूर्ण सृष्टि भी अनुशासन का पालन करती है। अनुशासित जीवन जीने से मानव प्रगति के पथ पर अग्रसर होता है। अनुशासन का पालन करने से सभी कार्य समय पर पूरे हो जाते हैं। जीवन में समयाभाव की अथवा समय पर काम पूरा न होने की शिकायत करने का अवसर ही नहीं आता है। यही नहीं समय की बचत भी होती है। सूर्य और चंद्रमा भी अनुशासन में बंधकर संसार को कर्म और विश्राम करने का संदेश देते हैं। संसार के सभी सफल व्यक्तियों ने अपने जीवन में अनुशासन का दृढ़ता से पालन किया। राष्ट्रपिता महात्मा गाँधी हों या लौहपुरुष सरदार पटेल हों, उन्होंने जनता के सामने अनुशासित जीवन जीने का सुंदर उदाहरण प्रस्तुत किया।

वर्तमान युग में कुछ लोग यह सोचते हैं कि अब मानव शिक्षित और सम्य हो गया है। उस पर किसी प्रकार के नियमों को थोपना उचित नहीं है। वह स्वतंत्र रूप से जो भी करे, उसे करने देना चाहिए। लेकिन यदि व्यक्ति को यह अधिकार दे दिया जाए तो चारों तरफ वन्य-जीवन जैसी अव्यवस्था आ जाएगी। मानव, मानव ही है, देवता नहीं अर्थात् उसमें सुप्रवृत्तियाँ और कुप्रवृत्तियाँ दोनों ही होती हैं। मानव सम्य तभी तक रहता है, जब तक वह अपनी सुप्रवृत्तियों के अनुसार कार्य करे। इसलिए मानव के पूर्ण विकास के लिए कुछ बंधनों और नियमों का होना आवश्यक है। अनुशासनबद्धता मानव-जीवन के मार्ग में बाधक नहीं, अपितु उसको पूर्ण उन्नति तक पहुँचाने के लिए अनुकूल अवसर प्रदान करती है। इसलिए अनुशासन के बिना तो मानव जीवन की कल्पना भी नहीं की जा सकती है। अनुशासन के बंधन में बंधकर मनुष्य समय का सदुपयोग करते हुए अपने जीवन में उन्नति कर सकता है।

(क) 'अनुशासन' का क्या अर्थ है?

(ख) 'मानव, मानव ही है, देवता नहीं' – इस कथन का क्या तात्पर्य है?

(ग) मानव सम्य कब कहलाता है?

(घ) संसार के सभी सफल व्यक्तियों ने किस बात को अपने जीवन में महत्त्व दिया?

(ङ) अनुशासित जीवन जीने से होने वाले किन्हीं दो लाभ का उल्लेख करें।

(ii) निम्नलिखित अपठित गद्यांश को ध्यान से पढ़ें तथा दिए गए प्रश्नों के उत्तर लिखें :- (1X5=5)

मानव जीवन में आत्मसम्मान का अत्यधिक महत्त्व है। आत्मसम्मान में अपने व्यक्तित्व को अधिकाधिक सशक्त एवं प्रतिष्ठित बनाने की भावना निहित होती है। इससे शक्ति, साहस, उत्साह आदि गुणों का जन्म होता है जो जीवन की उन्नति का मार्ग प्रशस्त करते हैं। आत्मसम्मान की भावना से पूर्ण व्यक्ति संघर्षों की परवाह नहीं करता है और हर विषम परिस्थिति से टक्कर लेता है। ऐसे व्यक्ति जीवन में पराजय का मुँह नहीं देखते तथा निरंतर यश की प्राप्ति करते हैं। आत्मसम्मान की व्यक्ति धर्म, सत्य, न्याय और नीति के पथ का अनुगमन

करता है। उसके जीवन में ही सच्चे सुख और शांति का निवास होता है। परोपकार, जनसेवा जैसे कार्यों में उसकी रुचि होती है। लोकप्रियता और सामाजिक प्रतिष्ठा उसे सहज ही प्राप्त होती है। ऐसे व्यक्ति में अपने राष्ट्र के प्रति सच्ची निष्ठा होती है तथा मातृभूमि की उन्नति के लिए वह अपने प्राणों को उत्सर्ग करने में भी सुख की अनुभूति करता है। चूँकि आत्मसम्मानी व्यक्ति अपनी अथवा दूसरों की आत्मा का हनन करना पसंद नहीं करता है, इसलिए वह ईर्ष्या-द्वेष जैसी भावनाओं से मुक्त होकर मानव मात्र को अपने परिवार का अंग मानता है। उसके हृदय में स्वार्थ, लोभ और अहंकार का भाव नहीं होता। निश्छल हृदय होने के कारण वह आसुरी प्रवृत्तियों से सर्वथा मुक्त होता है। उसमें ईश्वर के प्रति सच्ची भक्ति एवं विश्वास होता है, जिससे उसकी आध्यात्मिक शक्ति का विकास होता है। जीवन को सरस और मधुर बनाने के लिए आत्मसम्मान रसायन-तुल्य है।

**[1X5=5]**

It is often believed that it was the British colonialists who introduced the rule of law in India. Historians have disputed this claim on several grounds, two of which include: first that colonial law was arbitrary, and second that the Indian nationalists played a prominent role in the development of the legal sphere in British India. One example of the arbitrariness that continued to exist as part of British law is Sedition Act of 1870. The idea of Sedition was very broadly understood within this Act. Any person protesting or criticising the British government could be arrested without due trial.

Another example of British arbitrariness was the Rowlatt Act which allowed the British government to imprison people without due trial. Indian nationalists including Mahatma Gandhi were vehement in their opposition to the Rowlatt bills. Despite the large number of protests, the Rowlatt Act came into effect on 10th March 1919. In Punjab, protests against this Act continued quite actively and on April 10 two leaders of the movement, Dr. Satyapal and Dr Saifuddin Kitchlew were arrested. To protest these arrests, a public meeting was held on 13 April at Jallianwala Bagh in Amritsar. General Dyer entered the park with his troops. They closed the only exit and without giving any warning General Dyer ordered the troops to fire. Several hundreds of people died in this gunfire and many more were wounded including women and children.

History provides us with several examples of people and communities who have struggled to end unjust laws. Rosa Parks, an African- American woman, refused to give up her seat on a bus to a white man on 1<sup>st</sup> December 1955. She was protesting the law on segregation that divided up all public spaces, including the streets, between the whites and the African-Americans. Her refusal was a key event that marked the start of the Civil Rights Movement, which led to the Civil Rights Act in 1964, which prohibited discrimination on the basis of race, religion or national origin in the USA.
